Message Notes

Abiding or Just Visiting

John 15:1-8

Some Christians never give serious thought to what _____ with the few precious years and gifts He gives them.

Our text today uses an ancient, Biblical analogy to emphasize God's purpose in saving us: He wants us to _____...to live and serve in such a way as to produce _____ for the kingdom of God.

Jesus likened Himself to a _____ that carries water and nutrients from the soil to the branches and likened believers to _____. The branches produce _____ while the vine _____ the branches so that they might produce fruit. The Father is the _____ who cares for the vineyard.

The main point of the analogy is clear. Producing fruit is the _____ of the _____ of Christ's life. Anything less must be _____ and _____.

There is one way to correct the problem of fruitlessness. A branch produces grapes _____ when it remains vitally connected to the vine. Jesus used the word the "_____" to describe our connection to Him. It's the word you would use to refer to your _____, where we spend most of our time and energy. If you want to be a fruit producing Christian, you must _____ in Christ.

Do you know what will motivate you to live in Christ more than anything else? Attempting to _____. Find where God is working and _____ in His work.

There are two beautiful promises attached to abiding and producing fruit: (1) As you pray to have spiritual fruit in your life, God will _____ what you ask for, and (2) you and others will have _____ of your salvation like never before.

Here's a challenge. (1) Determine that you will be a _____ - _____ Christian. (2) Look for places that God is already working and choose to _____. In doing so, you will be continually _____ to strengthen or rekindle an avid, abiding connection to the vine, Jesus.

Please be mindful of others during the church service and wear your mask.
